Operation Kid Comfort - 512090108

Children of deployed service members, stationed in North Carolina or South Carolina are eligible for this program. Due to high demand, each child may only receive one quilt or pillow. Application must be submitted by the child's parent or adult guardian.

Children ages 6 and younger receive a memory quilt.
Children 7 and older receive a memory pillow case.

There is no charge for these items; our volunteers donate their time, talent, and treasure. Please only click submit when the form is completely filled out and your high-resolution photos are attached.

PHOTO REQUIREMENTS

NINE photos are needed for each quilt, and ONE is needed for each pillow case. The photos should depict the deployed parent, children with the deployed parent, family photos, or similar.

We will not crop or edit photos, so please submit photos as you wish them to appear.

Photos should be uploaded as JPEG files...we are unable to open other formats.

Please submit a separate request for each child.

You will receive a phone call and/or email when your quilt/pillowcase is ready for pickup. Those living in Cumberland, Harnett, Hoke, Moore, Robeson, Sampson, and Bladen counties must pick up from the Armed Services YMCA Fort Bragg. All others will be mailed.

If your military family does not meet the deployment criteria, but is otherwise subject to separation from your service member for six (6) consecutive months or more, please contact us at 910-436-0500 to inquire about eligibility.
